Ahmed Adel

Wordpress developer
SEO Specialist
Backend developer

WORK EXPERIENCE

Team Leader SEO

2023- 2024

As a search engine optimization or SEO specialist, I test, analyze and change the website so that it is optimized for search engines, so the website ranks higher in search results on major search engines such as Google and Bing..

WordPress Developer

2023 - 2024

As a WordPress developer responsible for backend and front-end development, including creating WordPress themes and plugins. They have different programming skills such as PHP, HTML5, CSS3, and JavaScript.

Backend Developer - Laravel

2022- 2024

As a backend developer, I build and maintain mechanisms that process data, perform actions on websites, store data, security, and other server-side functions that you can't see..

Sales
